

## **AHS Building Committee, Communications Subcommittee**

Met 12/10/20 at 1:00pm (meeting held via Zoom)

Present: Amy Speare (Chair), Kathy Bodie, Tobey Jackson, Joan Roman, Julie Dunn, John LaMarre (Consigli), Jim Burrows (Skanska), and Sy Nguyen (Skanska)

### **I. Community Outreach**

- Construction updates continue. Routine is well established now.
- ACMI did a news report on 11/30 column raising.
- Amy will provide Kathy an update to share with entire district sometime next week. Update will include general reminders about ways to keep up with project.

### **II. Ceremony Plans for Topping Off**

- Discussed idea to invite AHS Seniors to come sign one of the last beams (topping off). Includes a spruce tree and an American flag. Skanska can set up a location at Mill St rotary and fence it. Skanska can figure out logistics and prep the beam (painting it white, no stencil). Beam could be placed on or around January 11 and could be out for a week two weeks maximum. Beam would be raised last week of January, first week of February.
- Dr. Janger and team can determine a plan for student signing. Amy will work with AHS admin team on this.

### **III. Video/Photo Update**

- Boston Globe requested a photo of the construction site. Consigli provided a drone photo
- Appreciation to John and Jim for approving videos to post on Facebook. The approval process is going well. Consigli will need to review and okay every photo/video before it's posted on Facebook or website. Consigli is able to review materials once a month.
- Amy and Tobey plan to produce a 1-2 minute video about beam raising later this month

### **IV. Meeting Minutes Approval**

Motion to approve minutes from 11/12/20 by KB, 2nd by JD. Motion approved 5-0

### **V. Old Business**

None

### **VI. New Business**

None

Meeting adjourned at 2pm

Next meeting date: January 5, 2021 at 1pm
